Re: FRA-Bridge Parapet Repairs (PID 125023)
Letter of Notification of SFHA Exemption

Dear Renee:

The Ohio Department of Transportation project FRA-Bridge Parapet Repairs (PID 125023) is located within a Special Flood Hazard Area Zone AE in your community.

The proposed project involves patching and sealing of the parapets on bridge FRA-00315-13.020 (SFN 2515075) carrying SR 315 over the Scioto River.

As a courtesy, we are informing you of this project. The above described work is considered maintenance that does not change the alignment, grade, or hydraulic capacity of the existing structure. Because of this, the project is exempt from the normal permit process required for work encroaching on a SFHA. No further correspondence will be forthcoming.

If you need additional information, please contact Greg Johnson at 614-656-2407.

Respectfully,

Gregory D. Johnson, P.E.
Director of Structural Engineering
