Hi, Joe!

I've been working on gathering the septic permits for your current project! I have edited your map document to reflect the addresses that are associated with the parcel numbers. A few of them I couldn't find any septic permits for, but there is a septic on site. I currently have all the parcels I could find for Coonpath Rd. attached to this email. Lancaster Kirkersville Rd. will be coming your way soon.

Most of the permits have 2 pages with the drawings being on page 2.

For [1085 Coonpath Rd](#), all I was able to find is the well permit, but it has drawings attached that indicate where the septic is located (to the right of the property).

Thanks for your patience!
