Re: HAM-CR358-0.94 (11848)
Letter of Notification of SFHA Exemption

Dear Olivia Maltry:

The Ohio Department of Transportation project HAM-CR358-0.94 (118484) is located within a Special Flood Hazard Area Zone AE in your community.

The proposed project consists of the construction of left turn lanes on Clough Pike at the intersection of Newtown Road. Also complete the sidewalk along the south side of Clough Pike between Copperleaf drive and Newtown Road.

As a courtesy, we are informing you of this project. The above described work is considered maintenance that does not change the alignment, grade, or hydraulic capacity of the existing structure. Because of this, the project is exempt from the normal permit process required for work encroaching on a SFHA. No further correspondence will be forthcoming.

If you need additional information please contact zach.morman@stantec.com.

Respectfully,

Steven N. Shadix PE, PS
Senior Principal
