Re: MAR-746-09.05 (PID 119273)  
Letter of Notification of SFHA Exemption

Dear Mr. Wright:

The Ohio Department of Transportation project MAR-746-09.05 (PID 119273) is located within a Special Flood Hazard Area Zone A in your community.

The proposed project will replace the existing deck of the MAR-00746-09.050 bridge over the Olentangy River.

As a courtesy, we are informing you of this project. The above described work is considered maintenance that does not change the alignment, grade, or hydraulic capacity of the existing structure. Because of this, the project is exempt from the normal permit process required for work encroaching on a SFHA. No further correspondence will be forthcoming.

If you need additional information, please contact me at 937-802-3301 or by email at [bgarrison@fishbeck.com](mailto:bgarrison@fishbeck.com).

Respectfully,

Bradley Garrison, P.E.  
Senior Bridge Engineer
