RE: **ROS-772-07.64**
PID: 118518

Dear Mr. Less:

As the Geotechnical Engineer of Record for the subject roadway and structure, I certify that I have reviewed the Stage 3 plan set dated December 17, 2024, for the proposed Bridge ROS-772-0764, carrying State Route 772 over Ralston Run. The subject plans have been reviewed with respect to subgrade treatment, foundation elements, and the recommendations presented in NEAS's Structure Foundation Exploration Report for the project ROS-772-07.64, dated December 27, 2024.

Sincerely,

Chunmei (Melinda) He, Ph.D., P.E.
Geotechnical Project Manager
