I. JOSEPH F. O'DONNELL, JR., P. S. have conducted a survey of the existing conditions for the Ohio Department of Transportation on AUGUST 2022. The results of that survey are contained herein. The horizontal coordinates expressed herein are based on the Ohio State Plane Coordinate System, NORTH Zone on NAD 83 (2011) dature. The Project Coordinates (US Survey feet) are relative to State Plane Grid Coordinates (US Survey feet) Survey feet by a Project Adjustment Factor multiplier of 1.00000000. As a part of this project I have reestablished the locations of the existing property lines and centerline of existing Right of Way for property takes contained herein. All of my work contained herein was conducted in accordance with Ohio Administrative Code 4733-37 commonly as "A Minimum Standards for Boundary Surveys in the State of Ohio' unless noted. The words I and my as used in are to mean either myself or someone working under my direct supervision.

**DISEPH F. D'DONNELL, JR., P.S., Professional Land Surveyor No. 7731,

Date:

Date:

I, BRIAN BESECKER, P. S. have established the proposed property lines, calculated the Gross Take, Present Roadway Occupied (PRO), Net Take and Net Residue; as well as prepared the legal descriptions necessary to acquire these percels as shown herein. As a part of this work I have set right of way mountents at the property corners, properly line lintersection, so not he right of way mountents at the property corners, properly line lintersection, so not so that one way and/or angle points on the right of way. Section Corners and other points as shown herein. All of my work contained herein was conducted in accordance with Ohio Administrative Code 473-37 commonly known as "Minimum Standards for Boundary Surveys in the State of Ohio" unless noted. The words I and my as used herein are to mean either myself or someone working under my direct supervision.
