Explanation of appraisal problem. Include discussion of any "Yes" responses above			
Appraisal Issues are Simplistic but the Limited Summary Appraisal Form is suggested due to estimated cost and valuation of 1 Story Block Building to be Removed. The Agency permits a downgrade in format to a VF if the appraiser determines the valuation to be less than \$65,000 and if the building can be valued on the VF form after site inspection. Appraiser can request to exclude approaches to value and still produce credible results. Any improvements not acquired will not need to be appraised.
