Hi Justine,

Kimber is off today on leave. She is getting it done but I know that the warrant is not in D5 for deposit with the court yet. She will get the warrant down to FAI Clerk of Courts ASAP when it is received. Sorry for the delay, we had to secure additional funds as the project was out of money! Thank you for the reminder. We understand it needs paid immediately.

Hi Justine,

I do not. It still shows as unpaid in the system.

Kimber, please follow-up ASAP with our fiscal person to establish an ETA for this final warrant for \$4,014.42 to Court for Interest. Please let us know when it can be expected to be paid to the Court. Thanks!

Thanks Justine,

Yes, we are doing a total of 4 checks:

Attorney's Fees and Costs - \$21,863.13 (Order Attached)
Interest Due - \$4,014.42
Court Costs – \$2,980.03
Mediation -- \$1,875.00

The Mediator bill is payable to the mediator (vender info below) and the other three are all to the FAI Clerk of Court for the Eichhorn case.

The interest is not yet in as evidenced by the encumbrance balance in Ellis (shows \$4,014.42 available). I think the court cost was already paid. Kimber will make sure all get paid and to the correct payee. Thanks Justine.

Hi Kimber,

Thanks for working on this! I called the clerk's office to verify what you needed. If you have this case number **21CV457**, they should be able to look it up with no issue. The case is under *Jack Marchbanks, Director, Ohio Department of Transportation v. Eichhorn Limited Partnership*, so that's probably why they had trouble looking it up but they should have been able to find it under Eichhorn.

I do want to verify, you should have a check for Attorney's Fees and Costs for \$21,863.13 and one for Interest Due for \$4,014.42. Or they can both be together in warrant.

Thanks,
-Justine

Morning Justine:

We have paid the court costs. And, we tried yesterday to deposit the remaining \$21,000 and the clerk's office told us we had to have the documents with us because they could not find a court case under Eichhorn v ODOT...we were very disappointed in the customer service. If I have time today, I will run the final \$21,000+ check to the courts WITH the back up documents so they know how to proceed. We did not push back or request additional time spent by the staff to assist...like to walk gently in the county offices.

I will send you all the receipts next week.

Have a great weekend.

Hi Justine,

Thank you for getting all the final bills to us. We have requested the additional encumbrance for the needed amount and will pay all bills ASAP.

Our billing person asked for us to verify the Mediator's W-9 info to get them paid as a vendor. He is already in the payee system but with a different address. Please either verify the below address as acceptable/valid/current; or have him fill out the attached address change form. We cannot have two same name and SS numbers vendors.

Thank you for addressing this issue ASAP. We appreciate the assistance.

I do have John in the system but at a different address. We will either need him to fill out an address change form or will need him to verify that the other address is still valid.

Good Evening Carly,

There is a W-9 attached for John Alton. Please check vendor (he may be in from prior work as mediator in other districts). If not in AA/OAKS/Vendor: please submit and get set up when you get a chance. The mediator bill gets paid directly to John Alton (rest go through the court).

110412 is out of money. I will need to encumber more funds. I need your and Kimber help with knowing exactly any additional bills to pay on 110412. I want to ask for one encumbrance that covers everything (exactly).

I thought the 2980.03 court costs was paid already (please verify status). Also, do we have any other bills for anything on 110412 other than the four listed below?

Thanks and have a nice weekend.
