Hello Harvey,

I met with West Erie on project 111621 today. They think most (or maybe all) appraisals are submitted. Some are VA in REAL OS and others are VF/Summary that I think were sent to you as reviewer. Can you let me know if you are waiting on any of these and let me know as they get completed for FMVE to get set in REAL OS?

I do apologize. I got two (13 & 25) REAL OS notices on 7/3/24 while on vacation and did not forward or share with you (Parcels 13 & 25). Here are the parcels needed for FMVE that you might have available for review:

- VA in REAL OS (can 'review', desk review, or just email if OK (ASC says voluntary review but they are not "required" by current P&P):
 - Parcels: 13, 15, 25, & 32.
- VF might be to you:
 - Parcel: 17.
- Summary might be to you:
 - Parcels: 16, 19 (Need 19 ASAP as Relocation Parcel), 20, 21, 27, 29
- FMVE set (completed)
 - Parcels: 12, 14, 18, 22, 28, 30, & 31.

I would like to get through review and set FMVE in REAL OS by end of July if possible (how fast can # 19 get completed?). Thanks Harvey and sorry that I did not let you know sooner.

Respectfully,

John R. Wooldridge
