<u>93B</u>	<u>Critical Date</u>	<u>-</u>	<u>-</u>	<u>-</u>
<u>113</u>	<u>Scour Critical</u>	<u>-</u>	<u>8</u>	<u>-</u>

### Notes:

1. Ratings were developed using the FHWA Bridge Inspector's Training Manual and FHWA Recording and Coding Guide for the Structure Inventory and Appraisal of the Nation's Bridges.
2. The recommended ratings consider inspected elements located within the waterway and conditons existing below the water surface only. Additional consideration is necessary for the assignment of overall condition ratings for this bridge.
