

### **WTS Sharon D. Banks Memorial Undergraduate Scholarship**

WTS fosters the development of women in the transportation field by encouraging bright new professionals to undertake careers in the area of transportation. One way it does this is by awarding the WTS Sharon D. Banks Memorial Scholarship to women pursuing undergraduate studies in transportation or a related field.

The scholarship honors Sharon D. Banks, chief executive officer of AC Transit in Alameda-Contra Costa County, California. As its CEO throughout most of the 1990's, Banks led the agency in a pioneering effort to introduce cultural and organizational changes aimed at motivating the public transit workforce. She was a member of the WTS Advisory Board and received the WTS San Francisco Chapter Woman of the Year and Employer of the Year awards.

The WTS Sharon D. Banks Memorial Undergraduate Scholarship is **\$5,000**.

The minimum criteria for selection are:

- a. GPA of 3.0 or higher.
- b. Currently enrolled in an undergraduate degree program in a transportation-related field, such as transportation engineering, planning, finance, or logistics.
- c. Plans to pursue a career in a transportation-related field.

Applications must be submitted through local WTS chapters as typed documents. Scholarships are competitive and based on the applicant's specific transportation goals, academic record, and transportation-related activities or job skills. National awards will be presented during the upcoming WTS Annual Conference in May, and attendance during the awards ceremony is strongly recommended. Conference registration for scholarship winners is complimentary. Local chapters will assist with arrangements upon selection and may have additional requirements, such as personal interviews or higher GPA. Please contact your local WTS chapter for specifics.

To the Scholarship Selection Committee,

I am writing to recommend Kylie Bernard for the WTS Sharon D. Banks Memorial Undergraduate Scholarship. I had the pleasure of serving as Kylie's retail supervisor at Great Wolf Lodge, where she worked as a Retail Attendant under my direct supervision.

Throughout her time with our team, Kylie consistently demonstrated a strong work ethic, professionalism, and leadership skills. She was dependable, focused, and took pride in her work, often stepping up to lead by example and support her peers. Kylie earned the trust of both management and coworkers through her positive attitude and commitment to excellence.

Kylie works extremely hard to independently support herself through college. Balancing these responsibilities while maintaining high professional standards speaks to her discipline, resilience, and determination. She approaches challenges with maturity and accountability and remains focused on her long term goals.

Kylie's character and leadership reflect the values honored by the Sharon D. Banks Memorial Scholarship. She demonstrates initiative, integrity, and a strong sense of responsibility, qualities that will serve her well in the transportation field and beyond.

I am confident that Kylie Bernard is highly deserving of this scholarship and will make a positive impact in her chosen career. Thank you for your time and consideration.

Sincerely,

Grayden Habermehl

Formal Retail & Attractions Supervisor, Great Wolf Lodge

## **V. Personal Statement:**

I am a third-year student at the University of Cincinnati's Carl H. Lindner College of Business, majoring in Business Economics. I am pursuing a career in the transportation construction industry, where I can combine financial analysis, leadership, and problem-solving to support infrastructure projects that directly serve the public.

My interest in transportation began long before college. My father has worked in road construction for John R. Jurgensen for almost 30 years, and growing up, I saw firsthand the dedication, teamwork, and responsibility required to build and maintain roads. I learned early on that transportation is not only about construction but also about safety and accessibility. Watching this work inspired me to pursue a career where I can contribute to projects that have a real and lasting impact.

I am also a first-generation college student, which makes my education especially meaningful to me. Being the first in my family to attend college, and to do so as a woman, has motivated me to work hard, stay focused, and take full advantage of every opportunity. I take pride in showing that women belong in leadership roles within transportation, an industry where those opportunities have not always been equally accessible.

This summer, I will be working as an estimating intern at John R. Jurgensen, a significant step toward my long-term goal of working in transportation finance or construction management. Being a woman in this internship makes the experience even more important because it allows me to gain hands-on experience while preparing me to lead and inspire other women who want to follow similar paths.

Leadership has also been an important part of my growth outside of transportation. I served as a Retail and Attractions Supervisor at Great Wolf Lodge, overseeing a team of more than 15 employees across 4 different stores. Leading a team in a fast-paced environment taught me how to communicate clearly, stay organized, and make confident decisions under pressure, skills I plan to bring into my future career in transportation.

Sharon D. Banks' commitment to motivating employees and driving influential organizational change reflects the type of leader I hope to become. Receiving the WTS Sharon D. Banks Memorial Scholarship would provide support as I continue building a career in transportation and working toward leadership roles where I can make a positive impact on the communities these systems serve, while also inspiring other women.
