

### **WTS Sharon D. Banks Memorial Undergraduate Scholarship**

WTS fosters the development of women in the transportation field by encouraging bright new professionals to undertake careers in the area of transportation. One way it does this is by awarding the WTS Sharon D. Banks Memorial Scholarship to women pursuing undergraduate studies in transportation or a related field.

The scholarship honors Sharon D. Banks, chief executive officer of AC Transit in Alameda-Contra Costa County, California. As its CEO throughout most of the 1990's, Banks led the agency in a pioneering effort to introduce cultural and organizational changes aimed at motivating the public transit workforce. She was a member of the WTS Advisory Board and received the WTS San Francisco Chapter Woman of the Year and Employer of the Year awards.

The WTS Sharon D. Banks Memorial Undergraduate Scholarship is **\$5,000**.

The minimum criteria for selection are:

- a. GPA of 3.0 or higher.
- b. Currently enrolled in an undergraduate degree program in a transportation-related field, such as transportation engineering, planning, finance, or logistics.
- c. Plans to pursue a career in a transportation-related field.

Applications must be submitted through local WTS chapters as typed documents. Scholarships are competitive and based on the applicant's specific transportation goals, academic record, and transportation-related activities or job skills. National awards will be presented during the upcoming WTS Annual Conference in May, and attendance during the awards ceremony is strongly recommended. Conference registration for scholarship winners is complimentary. Local chapters will assist with arrangements upon selection and may have additional requirements, such as personal interviews or higher GPA. Please contact your local WTS chapter for specifics.

WTS Scholarship Committee  
WTS Southwest Ohio Chapter

Dear Members of the Scholarship Committee,

I am writing to enthusiastically recommend Yuleisy Villanueva for the WTS Sharon D. Banks Memorial Undergraduate Scholarship. I currently supervise Yuleisy as an intern on our construction accounting team at John R. Jurgensen Company, a heavy highway contractor focused on roadway and transportation infrastructure projects. She has consistently distinguished herself through her strong analytical skills, professionalism, and genuine interest in the transportation industry.

Yuleisy is a double major in Accounting and Finance at the University of Cincinnati and maintains an outstanding 3.8 GPA. She has applied her academic knowledge exceptionally well in a real-world transportation environment. Her responsibilities include job costing, contract management, and compliance for active transportation construction projects, and she works extensively in Workday and Procore, where precision and financial insight are essential.

Through her work, Yuleisy has developed a strong understanding of how financial planning, cost control, and contract administration directly impact the success of transportation infrastructure projects. She recognizes the importance of sound financial management in delivering efficient, safe, and sustainable transportation systems. Her combined academic focus in accounting and finance aligns seamlessly with the financial and operational demands of transportation projects.

Beyond her technical abilities, Yuleisy demonstrates exceptional initiative and maturity. She is eager to learn, asks thoughtful questions, and consistently seeks opportunities to expand her understanding of both construction operations and transportation finance. She collaborates effectively with accounting and project management teams and brings a positive, dependable attitude to our organization.

Yuleisy embodies the mission of WTS by demonstrating academic excellence and a clear commitment to a transportation-related career. I am confident she will continue to excel in her studies and contribute meaningfully to the transportation industry. I fully and enthusiastically support her application for the WTS Sharon D. Banks Memorial Undergraduate Scholarship.

Thank you for your time and consideration. Please feel free to contact me if additional information is needed.

Sincerely,

A handwritten signature in blue ink, appearing to read "Markin", followed by a short horizontal line.

Anna Markin

Construction Accounting and Contract Administration Manager  
John R. Jurgensen Company

Dear Scholarship Committee,

My name is Yuleisy Villanueva. I am 21 years young, with 10 of those years living in this incredible country. I was born in Mexico City and was reborn earlier this year as a proud American citizen. I am chasing the American dream as a second-year Finance and Accounting double major student at the University of Cincinnati, pursuing a Bachelor of Business Administration with a 3.8 GPA. I earned my associate's degree this December with great sacrifice and dedication as a first-generation college student. Since I was 15 years old, I knew I wanted to prosper and advance my education to give back to this beautiful country that welcomed me with open arms at only 11 years old. Despite all the challenges and adversities that come with seeking personal and professional growth, I remain resilient in pursuing a career at the intersection of finance and transportation, with the goal of supporting the planning, funding, and long-term sustainability of transportation infrastructure. As a self-supporting student, receiving the WTS Sharon D. Banks Memorial Undergraduate Scholarship would allow me to continue developing the technical and leadership skills needed to make a meaningful impact in this field.

Through my cooperative education experience as a Construction Accounting Intern at John R. Jurgensen Company, a firm specializing in highway and roadway development, I have gained firsthand exposure to the financial and operational complexities behind transportation infrastructure projects. My responsibilities include supporting accounting processes related to infrastructure development, reinforcing the importance of accuracy, transparency, and accountability when managing large-scale transportation investments. This experience has shown me how financial decisions directly affect project feasibility, timelines, and the effective use of both public and private funds.

Leadership plays a critical role in transportation, as decisions in this field directly impact public safety, accessibility, and community development. As a Construction Accounting Intern, I demonstrated leadership by taking initiative to ensure financial accuracy on roadway projects, recognizing that even small discrepancies can affect project timelines and public trust. I learned that leadership is not limited to formal titles but is demonstrated through reliability, effective communication, and accountability. I strive to lead with integrity, collaboration, and ethical judgment, values that align closely with the legacy of Sharon D. Banks and the mission of WTS.

As a woman pursuing a career in a transportation-related field, I am motivated to contribute diverse perspectives and support inclusive and effective transportation solutions. After graduation, I plan to continue working in the transportation industry, applying my finance and accounting background to support infrastructure projects that serve communities and promote economic mobility.

The WTS Sharon D. Banks Memorial Scholarship would support my continued education and professional growth while reinforcing my commitment to leadership in transportation finance. My academic performance, transportation-focused professional experience, and commitment to ethical leadership position me to carry forward the mission of WTS and the legacy of Sharon D. Banks. I am eager to grow as a future transportation professional and to honor the values this scholarship represents throughout my career.
