Ohio Department of Transportation
Division of Construction Management, First Floor
1980 W. Broad Street
Columbus, Ohio 43223
Attention: Letting Manager

**Subject: BEL-70-9.35 Interchange Improvement (Project 253000, PID 120547)
Letter of Interest**

The Triton Construction, Inc. Design-Build Team (Triton DBT) is pleased to submit this Letter of Interest (LOI) for the above referenced project to the Ohio Department of Transportation (ODOT). Our response contains all information requested in the Instruction to Offers for a Letter of Interest (ITO) dated September 18, 2024 including the enclosed Form A-1.

Triton Construction, Inc. will serve as the lead contractor and lead corporation registered in the State of Ohio to execute the contract with ODOT. **E.L. Robinson Engineering of Ohio Co.** is serving as Lead Designer. Triton and E.L. Robinson are prequalified with the Department in accordance with the ITO. Additionally, we warrant that no members of this DBT have a personal conflict of interest or an organizational conflict of interest as described in Section 4.1 of the ITO.
