DISCLAIMER - This document was prepared for internal Duke Energy purposes only and was not prepared by a land surveyor. All facility, cable, and equipment locations are approximate; and this information may not be accurate or complete. It should not be used for any survey, engineering, or legal purposes.

If no underground primary distribution conductor or no underground transmission conductor has been identified within a map grid, the electric map will not be provided. If no Duke-owned gas main has been identified within a map grid, the gas map will not be provided.
