CERTIFICATION

I, Steven E. Rader, as the Project Surveyor for Stantec have conducted a survey of the existing conditions for Anderson Township in 2023. The results of that survey are contained herein. The horizontal coordinates expressed herein are based on the Ohio State Plane Coordinates System, South Zone, NAD 83 (2011), as measured using ORTN GPS methods. Furthermore, I have reestablished the locations of the existing property lines and centerline of existing Right of Way for the property takes contained herein. As a part of this project I have established the proposed property lines, calculated the Gross Take, Present Roadway Occupied (PRO), Net Take and Net Residue; as well as prepared the legal descriptions necessary to acquire the parcels as shown herein. The aforementioned survey work was conducted in accordance with Ohio Administrative Code 4733-37 commonly known as, "A Minimum Standards for Boundary Surveys in the State of Ohio", unless so noted. The words I and my as used herein are to mean that either myself or someone working under my direct supervision.

Steven E. Rader, P.S. No. 7191
