Utility Clear Date

ATT: ROB FEY

This letter is to inform you that the Ohio Department of Transportation is issuing a utility clear date of **December 31, 2016** for all utilities within the construction limits of this project. Please submit your relocation plans and have your facilities moved by this date. If you do not meet this date and ODOT incurs any added costs due to your failure to relocate in a timely manner. ODOT may issue an "Obstruction Removal Notice" and the utility may be charged for the delay costs.

Should you have any questions, please call at any time (419) 999-6843 or (419) 549-6584.

Respectfully,

Kirk Slusher, P. E.
District Deputy Director
