Federal Job# E110820  
PID 87005

Dear Mr. Wisner:

The Department has approved and accepted the company's plans for the referenced project and the right of way will be clear by July 1, 2014 for the company's relocation work. This letter is authorization for the company to begin relocation work and bill the Department for all costs that are properly chargeable. It is understood that this work will be financed 100% by the State.

This work should be completed six weeks prior to the sale date but no later than March 1, 2015.

If contract forces are used this is your approval for their use.

Please notify this office two (2) days prior to the start of the relocation work.

Respectfully,

Kirk M. Slusher  
District Deputy Director
