Re: ODOT Property
459 Blinn Street

Dear Mr. Claxton,

Please be advised that we have completed the asbestos removal at 459 Blinn Street in Akron Ohio. All regulated asbestos containing materials identified in the Uptown Environmental Survey dated 08/09/19 were removed in accordance with the Local, State and Federal regulations which apply to building demolition. All materials were properly disposed of at a regulated landfill for asbestos. Waste manifests will be forwarded to you when we receive them back from the landfill.

If you require any further information, please feel to contact me at 216-642-6040.

Sincerely,

A handwritten signature in blue ink, appearing to read "George Pappas".

George Pappas
Project Manager
