Re: TRU-5-10.79 Noise Abatement (PID 114708)
Letter of Notification of SFHA Exemption

Dear Mr. Coggins:

The Ohio Department of Transportation project TRU-5-10.79 Noise Abatement (PID 114708) is located within Special Flood Hazard Area Zone AE in your community.

The project proposes a noisewall which will partially impact the floodplains near structure TRU-5-11.03R (SFN 7800789) over Youngs Run.

As a courtesy, we are informing you of this project. The above described work is considered work that does not change the alignment, grade, or hydraulic capacity of the existing structure. Because of this, the project is exempt from the normal permit process required for work encroaching on a SFHA. No further correspondence will be forthcoming.

If you need additional information, please contact Mike Palagano at 330.786.4851.

Respectfully,

Mike Palagano, P.E.
District 4 Hydraulic Engineer
