I, Wesley D. Goubeaux, P.S. 8254, have conducted a survey of the existing conditions for the State of Ohio in October, 2012. The results of that survey are contained herein.

The horizontal coordinates expressed herein are based on the Ohio State Plane Coordinate system NAD 83, North Zone using CORS 96 adjustment. The Project Adjustment Factor used for this project is 1.00007034046536 and applied to Control Point #1.

I have determined the locations of the existing property lines for property takes contained herein. I have calculated the proposed property lines, Gross Take, Present Roadway Occupied (PRO), Net Take and Net Residues, as well as prepared the legal descriptions necessary to acquire these parcels as shown herein.

As a part of this project, I also have set monuments at the proposed Property Corners, Section Corners and other points shown herein. All Centerline Monuments, and Right of Way Monuments set and/or reset by the contractor's surveyor will include a cap as per Standard Construction Drawing RM-1.1 and bear the surveyor's Ohio registration number and/or name or company name. This work will be done in accordance with OAC 4733-37 as cited below.

All of my work contained herein was conducted in accordance with Ohio Administrative Code 4733-37 commonly known as Minimum Standards for Boundary Survey in the State of Ohio unless so noted.

The words I and my as used herein are to mean either myself or someone working for me under my direct control or supervision.
