I, MATTHEW J. PUHL, P. S. have conducted a survey of the existing conditions for THE OHIO DEPARTMENT OF TRANSPORTATION on AUGUST 11, 2010. This survey used for reference an initial survey done by ODOT District 2 using the ODOT VRS System that established grid coordinates for the project site. The results of that survey are contained herein.

The horizontal coordinates expressed herein are based on the Ohio State Plane Coordinates system NAD 83, NORTH Zone using 2007 adjustment, by ties to the ODOT CORS network using the ODOT VRS System. The coordinates for this project are all grid so no subsequent Project Adjustment Factor was used.

As a part of this project I have reestablished the locations of the existing property lines and centerline of existing Right of Way for property takes contained herein.

All of my work contained herein was conducted in accordance with Ohio Administrative Code 4733-37 commonly known as "A Minimum Standards for Boundary Surveys in the State of Ohio" unless noted.

The words I and my as used herein are to mean either myself or someone working under my direct supervision.
