I, Mathew J. Puhl, P. S. have conducted a survey of the existing conditions for the Ohio Department of Transportation in November 2010. The results of that survey are contained herein.

The horizontal coordinates expressed herein are based on the Ohio State Plane Coordinates system NAD 83(CORS96) EPOCH 20020000 North Zone, by ties to the ODOT CORS network using stations, DEFI, BGOH, OHHA, OHWI, OHAL, ADRI, MIDD, AUBU, MICW, MIKS, SIBY, MICV, TIFF, OHMR, OHFN, KNTN, MIMO, The Project Adjustment Factor used for this project is 0.99991860 for HEN-281-9.67 AND 0.99991872 for WOO-281-12.92.

As a part of this project I have reestablished the locations of the existing property lines and the existing centerline of Right of Way for property takes contained herein.

As a part of this project I have established the proposed property lines, calculated the Gross Take, present roadway occupied (PRO), Net Take and Net Residue; as well as prepared the legal descriptions necessary to acquire the parcels as shown herein.

As a part of this work I have set the monuments at the proposed Property corners, Section Corners and other points as shown herein. All Centerline Monuments, and Right of Way Monuments set and/or reset by the contractor's surveyor will include a cap as per Standard Construction Drawing RM-1.1 and bear the surveyor's Ohio registration number and/or name or company name. This work will be done in accordance with OAC 4733-37 as cited below.

All of my work contained herein was conducted in accordance with Ohio Administrative Code 4733-37 commonly known as "A Minimum Standards for Boundary Surveys in the State of Ohio" unless noted.

The words I and my as used herein are to mean either myself or someone working under my direct supervision.
