Re: ERI-US 0006 Connectivity Corridor (PID 116570)
Letter of Compliance

Dear Christine:

Enclosed please find the floodplain analysis for Ohio Department of Transportation project ERI-US 0006 Connectivity Corridor (PID 116570). The subject project encroaches upon a Special Flood Hazard Area Zone AE within your community at the location identified in the attached report. The hydraulic calculations and No-Rise Certification Form provide the necessary documentation of compliance to all federal, state, and local floodplain standards as required.

If you need additional information, please contact me at mhterrell@gftinc.com.

Sincerely,

Michelle H. Terrell, PE, LEED Green Associate
Senior Hydraulic Engineer
