Morning Patty:

I was asked by environmental to touch base with Thomas Jr. to make sure he is OK with them entering the property. I am also going to try to get him to give me a date he and his father are going to move so that we can calculate pay rooms, etc. Have located the Rodgers Sr. residence in Philo, under Tom Rodgers only. So I am going to stop by this location and make face to face contact.

Do you want to make plans to come down to D5 the 1st week of April to finalize move details? JR is leaving on vacation on Friday for a week, so we will not be able to get necessary signatures after Friday until April 2nd.
