Just a suggestion. Since West Erie was able to get Charlie to sign, I would ask Megan to call Charlie and let her know the warrant to close with her will be in ---weeks, but she will not be able to give it to Charlie until all personal property is moved. Have her tell Charlie that we are trying to arrange a meeting at the property on May 7th to complete the inventory in the shed so we can determine move costs for both Thomas Jr and Thomas Sr. Once we have that done, they can move and Charlie can get her check. Charlie may assist in getting them both there. She has to have a phone line to her father and she will be wanting her money.

I am hoping taking Thomas down to his parents house will at least get me a face to face with Thomas Sr. The honking at the gate hasn't worked for me so far...

Okay. I will leave the 7th open then. Please let me know as soon as you get something set please. If you need any assistance with adding info to Real OS on the various screens, just let me know. Matt helped me with the FAI 33 so I can navigate through the system now. Initially, it is a little time consuming, but once the main info is in there, it gets much easier.

I do not know what he is talking about, I haven't even been able to speak to him and I will be setting the appointments for May 7th as you let me know earlier your availability. Tomorrow, 04/18, I am going to attempt to meet with Thomas and drive him down to his parents to get them in front of me, so we can set an appointment for 05/07 around 10 am for convenience on our part.

JR let me know you have a time set for meeting with Thomas Sr. Please send me an invite with the time for the meeting on the 6th. I want to schedule some other things around it.

Morning Patty:

I am going to try to get a face to face with Thomas Jr and Thomas Sr tomorrow. Just want to set an appointment so you can schedule time to meet with all of us for the final steps, planning or finding out what their intentions are about moving. I do not know if Thomas Sr. will be accessible so did not want to waste your time while I try to find them and get an appointment on the books. If you want to wait until 1st week of May after the 6th for the appointment, let me know the days you are available. I will get them to ink in an appointment for date you are available.

Regards,
