Hi Kimber,

I looked for the \$1,000 move claim in REAL OS. I am ready to sign RE-24 as soon as the claim, notes, and billing package are uploaded (like what we needed for 77555). Some docs may also need reviewer signature/approval (Patty) and/or owner signature. Please let me know as soon as these are in there:

We will also need this stuff in REAL OS for the RSP payment that you said was just about ready (pending reviewer approval I think). Thank you!
