Re: FRA-161-15.80 Noise Walls
PID No. 117607
Franklin County, Ohio
Rii Project No. W-23-107

Dear Mr. Hackenbracht,

As the Geotechnical Engineer of Record for the subject project, I certify that I have reviewed the Stage 2 plans for the subject project. The following comments are offered for revision prior to subsequent submittals.

- Noise Wall 15 Drilled Shaft Table: Verify bottom of barrier elevations at Drilled Shafts 24, 62, 65, 67.

Respectfully,

Daniel E. Karch, PE
Project Manager – Geotechnical Services

Arcadis agrees with Rii comments and has revised NW 15 table to comply with Rii comments - JDH
