Re: WAR-350-0873 (PID 112975)  
Letter of Compliance

Dear Molly Conley:

Enclosed please find the floodplain analysis for Ohio Department of Transportation project WAR-350-0873 PID 112975. The subject roadway project encroaches upon a Special Flood Hazard Area Zone AE within your community at the location identified in the attached report. The hydraulic calculations and No-Rise Certification form, provide the necessary documentation of compliance to all federal, state, and local floodplain standards as required.

Please provide your community's flood zone regulations if they differ from FEMA requirements and forward any questions you may have about the project. We will move forward with this project if no concerns are brought to our attention.

If you need additional information please contact Garret Freeman at 513-933-6657 or by email at [garret.freeman@dot.ohio.gov](mailto:garret.freeman@dot.ohio.gov).

Respectfully,

Garret Freeman, P.E.  
Project Bridge Engineer
