Subject: Updated Rating Tool
Mailbox: [/ My Mailboxes /Inbox/](#) Will Expire: in 15 days

Chris,

As discussed, here are the data for the rating tool. One package is like a Manual of Instructions, and the second one includes the updated macro tool to perform the ratings. Please have Cindy and your ratings folks review it and make sure it meets the parameters we had discussed and let me know your comments as soon as possible so we can address and finalize to your satisfaction.

Sincerely,

Tony
