*Wispuker - schedule*  
*P.D.* *w/4th St. (J)*

Date: May 6, 1996

To: J. Darrel Armstrong

From: Richard Chaffin

Location: Adams County - Intersection of State Route No. 125 & 136

The following work to be performed was recommended by the District Safety Review Team:

Convert this intersection from a 2-way stop to a 4-way stop.

1. Change the existing overhead flasher to all red.
2. Install dual 36" stop signs on both approaches of S.R. 125.
3. Install 4-way plates under all stop signs.
4. Remove existing Cross Road signs on S.R. 125 and erect dual 36" Stop Ahead signs with temporary high intensity flashers. Remove flashers after 60 days.
5. Paint Stop Bars on all approaches of the intersection.
6. Publicize in advance through O.D.O.T. and local media.

**RECEIVED**  
MAY 24 1996
