Re: *Highland County* - Intersection of U.S.R. 50 and S.R. 134

Dear Mr. Hawk:

In our previous letter to you concerning this intersection, we advised you that our District 9 Office is in the process of investigating and obtaining information to study this intersection. During the preliminary investigation it was determined that extensive survey data is needed to further study this intersection. This survey work has been scheduled. The District 9 Office will advise you when information is available.

Thank you for your concern for safety in this matter.

Respectfully,

A handwritten signature in cursive script that reads "Jerry Wray".

Jerry Wray
