Shelley, you could place an "X * " next to each railroad category. Write a note near the bottom of the document indicating that the railroad agreement, special clauses, and detail estimate will arrive at a later date.

John -

What do I need to include with the plan submittal in terms of RR agreements?

Shelley

Rich Behrendt,

Per my records, no plans/specs submittal has yet been received for CSXT review. See attached email trail for my 12/02/10 acknowledgement and John Threat's 12/03/10 reply that D12 would forward plans/specs when available.

John Threat,

Please advise status of plans/specs development. Thanks.

Larry,

The attached was sent you electronically on 11/24/10, with hard copies put into USPS shortly after that..

To date, we have not received any acknowledgement of receipt of this Letter Agreement or if there are any concerns of issues that need to be addressed..

This project is scheduled to file in March - Can you advise on status?

Thanks...

Larry,

Attached is a scan of the proposed Letter Agreement/ Special Clauses that will be going out in today's USPS for the above-referenced project - No drawings were immediately available, but by copy of this to John Threat, I would ask him to provide any drawings that might otherwise be available..

John: Please consider this your copy...
