

Follow steps below to update the Director's signature on a Title Sheet

Note: The director's signature cell is now separate from the title sheet interior cell to simplify future director signature changes if/when necessary.

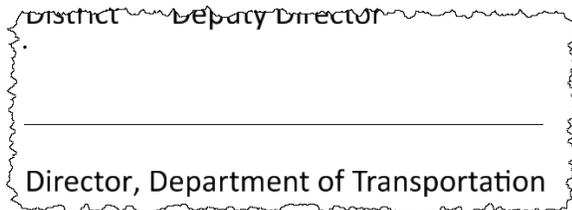

1. If the title sheet interior cell has not already been dropped, use the MicroStation Drop command to drop it. If it has already been dropped, proceed to Step 2.
 - a. **Do NOT drop the title block cell itself.**
2. Use the MicroStation Replace Cell command to replace/remove Director Marchbanks' signature cell.
 - a. Cell Name: **TITLE_DIRECTOR_SIGNATURE_LINE**

Tip: Copy and paste keyin below to attach cell library and set active cell so you don't have to browse to each.
RC=OHDOT_Sheets.cel;AC=TITLE_DIRECTOR_SIGNATURE_LINE;RESET

Method: Replace
Mode: Single
Use Active Cell: box checked & TITLE_DIRECTOR_SIGNATURE_LINE

3. Select/data point on the remaining cell for Director Marchbanks. And Accept the selection to replace the cell. It will look like this now:

4. Place the new cell for Director Boratyn's signature cell.
 - a. Cell Name: **TITLE_DIRECTOR_SIGNATURE**

Tip: Copy and paste keyin below to place the cell, snap the left end of the signature line, data point to accept the placement:
RC=OHDOT_Sheets.cel;AC=TITLE_DIRECTOR_SIGNATURE

Or Copy and paste keyin below to place cell without selecting placement location:
RC=OHDOT_Sheets.cel;AC=TITLE_DIRECTOR_SIGNATURE;XY=24.53,7.80;RESET

- b. The final Director Signature should now look like this:
