RE: **FRA-71/270-28.27/25.99A**
PID: 105435

Dear Mr. Farah:

As the Geotechnical Engineer of Record for the subject structure, I certify that I have reviewed the Stage 3 plan sheet set for the proposed FRA-71/270-28.27/2599A project. The subject roadway and structure plans have been reviewed with respect to the subgrade treatment and bridge foundation elements, aligning with the findings and recommendations presented in NEAS's subgrade exploration report and structure foundation reports for the FRA-71/270-28.27/25.99A project, all dated June 12, 2024.

Sincerely,

Chunmei (Melinda) He, Ph.D., P.E.
Geotechnical Project Manager
