Dear Mr. Luzier:

As the Geotechnical Engineer of Record for the subject project, I certify that I have reviewed the Stage 3 Plan Sheets dated September 11, 2025, for the proposed FRA-33-21.71 project in Franklin County, Ohio. The subject plans have been reviewed with respect to the recommendations presented in our Final Roadway Exploration Report for the referenced project, dated September 3, 2025.

Sincerely,

Brendan P. Andrews P.E.
Geotechnical Project Manager
