RE: GRE-68-12.65 (PID 115388)
Oldtown Ck. Crossing

Dear Al Kuzma, Chief Building Official:

The Ohio Department of Transportation project GRE-68-12.65 (PID 115388) encroaches upon a Special Flood Hazard Area Zone AE within your community.

The proposed project will construct a new pedestrian crossing over Old Town Creek and US 68 located between the Brush Row Rd. and ODNR's Great Council State Park Interpretive Center in Xenia Township.

Please provide your community's flood zone regulations if they differ from FEMA requirements and forward any questions you may have about the project. Future correspondence will include hydraulic calculations and required documentation for compliance. We will move forward with this project if no concerns are brought to our attention.
