Re: WOO-281-11.97 (113085)
Letter of Notification

Dear Dave Steiner:

The Ohio Department of Transportation project WOO-281-11.97 (113085) encroaches upon a Special Flood Hazard Area Zone AE within your community.

The proposed project is to replace the WOO-281-11.97 Bridge over Creps Ditch in Wood County with a single span prestressed concrete box beam bridge and perform necessary approach work.

Please provide your community's flood zone regulations if they differ from FEMA requirements and forward any questions you may have about the project. Future correspondence will include hydraulic calculations and required documentation for compliance. We will move forward with this project if no concerns are brought to our attention.

If you need additional information, please contact Mike Gramza at (567) 318-1531.

Respectfully,

A handwritten signature in cursive script that reads "Michael J. Gramza II".

Mike Gramza, P.E.
