

BBCM Boring Logs:

To view the boring information in this directory from the 3 investigations the DBT will need to know which report format belongs with which investigation. This summary is as follows:

2006 Investigation at the West Abutment - 20946300.gpj - (B-001-0-06 thru B-016-0-06, B-105-A-06, B-108-A-06) - Use the "ODOT LANDSCAPE 2" log

2006 Investigation for the Mainline - 20946301.gpj - (R, S, V and W borings) - Use the "ODOT LANDSCAPE 2 (NEW)" log

2009 Investigation at the West Abutment - 20946307.gpj - (B-035-0-09 thru B-038-1-09) - Use the "LATEST ODOT 2007 LOG" log

The remaining logs, graphs or tables previously spoken of should work with all the above projects. The library is the only other file in the folder and is named "I-90 gINT BBCM.glb".
