I, Justin L. Leu, PS, in a field survey on **October 5, 2023**
do hereby state that the survey monument mentioned has been located and identified. The old witnesses, if available, were checked and if necessary a new monument was brought to the surface. New witnesses have been set where necessary using a 1-½" brass tag stamped "Fulton County", unless indicated otherwise. All information has been researched to the best of my knowledge.

C. Notes

10.05.2023 Corner Referenced and Shot w/ GPS.

In October 1970 Red Beach on page 11 of 19 of his field notes he states for this corner... "Found four smaller than normal sized stones 1' to 2' below sod in fence line and the recorded 33'± west of the corner stone for section 34 & 35. Unable to resolve the section corner for the section 2 & 3 - dug the hole shut, henceforth."

On October 5, 2023 Justin L. Leu, PS and A. Dolph found a 1" I.D. iron pipe with collar near the edge of the field line with a steel survey marker inside. We proceeded to dig and found 3 stones around the iron pipe (East side, Southwest side & Northwest side). Due to the iron pipe being found at ground level in the field. We drove the iron pipe ±10" below grade to approximately the same depth of the stone found on the East side of the iron pipe.
