

Table of Contents

1.0	Introduction	1
	Study Area	1
	Goals and Objectives	2
2.0	Concepts Considered & Dismissed	3
2.1	Intersection Concepts (Concepts with Independent Utility)	3
	Back Connections to Harmony Hills Dr	3
	Realignment of South Hametown Rd	4
2.2	Local Connector Roads	5
	Connector Bridge - Montrose West Ave to Rothrock Rd	6
	I-77 Southbound Spur Ramp to Embassy Parkway	7
	Connector Bridge - Embassy Parkway to Springside Dr	8
3.0	Preliminary Conceptual Alternatives	9
3.1	Access Management (Medina Line Rd to South Hametown Rd)	9
	No-Build	9
	Raised Median	9
	Two-way Left Turn Lane	10
3.2	Intersection Concepts (Concepts with Independent Utility)	11
	Medina Line and SR 18 Intersection	11
	No-Build	11
	Addition of Left Turns Lanes on Medina Line Rd	12
	Harmony Hills Dr and SR 18 Intersection	13
	No-Build	13
	Two-Stage Left Turn	14
	Indirect Left Turn at Medina Line Rd	15
	North Hametown Rd and SR 18 Intersection	17
	No-Build	17
	Two-Stage Left Turn	17
	Indirect Left Turn at Medina Line Rd	18
	Realignment of North Hametown Rd	19
	Springside Dr and SR 18 Intersection	21
	No-Build	21
	Addition of Turn Lanes on Springside Dr	22
3.3	SR 18 Capacity Additions (South Hametown Rd to Montrose West Ave)	23
	No-Build	24
	Basic Lane Addition	26
	Montrose West Relocation	31
3.4	I-77 Mainline	36
	Early 18 Split	37
	Early 21 Split	38
	Southbound C-D System	39
3.5	SR 18 and I-77 Interchange	40
	No-Build	40
	Tight Diamond	41
	Single Point Urban Interchange (SPUI)	43
	Modified Cloverleaf	45
	Offset SPUI	47

Summit 18 Corridor: Planning Study including Strategic Plan

3.6 I-77 and SR 21 Interchange	49
No-Build	49
Upgrade Geometrics	49
4.0 Evaluation of Preliminary Concepts	51
4.1 Evaluation Matrices	51
Evaluation Methodology	51
Intersection Concepts (Concepts with Independent Utility)	53
SR 18 Concepts	54
Interchange Concepts	55
4.2 Cost Estimates	56
Methodology	56
Access Management - Raised Median	57
Access Management - Two-Way Left Turn Lane	58
Medina Line Rd - Add Left Turn Lanes	59
Harmony Hills Dr - Two-Stage Left Turns	60
Harmony Hills Dr - Indirect Left Turns (at Medina Line Rd)	61
North Hametown Rd - Two-Stage Left Turns	62
North Hametown Rd - Indirect Left Turns (at Medina Line Rd)	63
North Hametown Rd - Realignment to South Hametown Rd	64
Springside Dr - Capacity Addition (Add Turn Lanes)	65
Capacity Additions - Basic Lane Addition (Add 2 Thru Lanes)	66
Capacity Additions - Montrose West Relocation (Add 1 Thru Lane)	67
I-77 Mainline - Early 18 Split	68
I-77 Mainline - Southbound Collector-Distributor (C-D) System	69
SR 18 & I-77 Interchange - Tight Diamond	70
SR 18 & I-77 Interchange - Single-Point Urban Interchange (SPUI)	71
SR 18 & I-77 Interchange - Modified Cloverleaf	72
SR 18 & I-77 Interchange - Offset SPUI	73
5.0 Preferred Conceptual Alternatives	74
5.1 Preferred Access Management Concept	74
4 Lanes with Raised Median	74
5.2 Preferred Intersection Concepts (Concepts with Independent Utility)	74
Medina Line Rd and SR 18 Intersection	74
Addition of Left Turn Lanes on Medina Line Rd	74
Harmony Hills Dr and SR 18	75
Two-stage Left Turn	75
North Hametown Rd and SR 18 Intersection	75
Two-stage Left Turn	75
Springside Drive and SR 18 Intersection	75
Addition of Turn Lanes on Springside Dr	75
5.3 Preferred SR 18 Capacity Addition Concept	76
Montrose West Relocation	76
5.4 Preferred I-77 Mainline Concepts	77
Early SR 18 Split	77
Southbound C-D System	77
5.5 Preferred SR 18 & I-77 Interchange Concept	78
Modified Cloverleaf	78

Summit 18 Corridor: Planning Study including Strategic Plan

5.6 Preferred I-77 and SR 21 Interchange Concept	78
No-Build	78
5.7 Summary of Preferred Conceptual Alternatives	79
6.0 Strategic Plan	81
6.1 Access Management (Medina Line Rd to South Hametown Rd)	81
Median Barrier Installation / Rehabilitation of SUM-18-0054	81
6.2 Intersection Concepts (Concepts with Independent Utility)	82
Add Southbound Right-Turn Lane on Springside Dr at SR 18	82
Install Two-Stage Left Turn Median Refuge at Harmony Hills Dr	82
Install Two-Stage Left Turn Median Refuge	
at North Hametown Rd / Install Westbound Right-Turn Lane	82
Add Left-Turn Lanes on Medina Line Rd at SR 18	82
Add Dual Northbound Left-Turn Lane on Springside Dr	82
6.3 SR 18 Capacity Additions (South Hametown to Montrose West)	83
Relocate Montrose West Ave access to Heritage Woods Dr	83
Add 3rd Thru Lane on SR 18	83
Signal Coordination at Heritage Woods Dr	
and Crystal Lake Rd/Montrose West Ave	84
6.4 I-77 Mainline	84
Northbound Early SR 18 Exit	84
Southbound C-D System	84
6.5 SR 18 & I-77 Interchange	85
Modify Cloverleaf Interchange/Add 3rd Thru Lane	
on SR 18 (Crystal Lake Rd to Springside Dr)	85
6.6 I-77 and SR 21 Interchange	86
Strategic Plan Summary	87
