Hello Tina,

Can you please pay the attached Court costs statement of \$25.00 to the Fairfield County Clerk of Court. It can be paid using the credit card out of the CPA-Design-R/W budget as approved below. This will help expedite the final payment and be more efficient than a check.

Please provide me confirmation of payment as I need to confirm with our Attorney General's Office (Transportation) when paid. Let me know if you need anything else or have any questions. Thank you, Tina.

Respectfully,

Thanks Mandy,

Great! Should I route that through you, Arnetta, Tina, or someone else (Carly used to do those for us!). Thanks!

Yes Mandy,

They do take CC with a small fee (%/min\$2 = \$27 total). Can we go that route? Thanks!

Hi Ty and Mandy,

I received confirmation from AGO that \$25 is the final total. We will not have any additional costs for PID 110412. Please let me know how to best proceed with this final expenditure. Thank you!

Amanda – please see below and attached. ODOT owes \$25 for court costs related to an appropriation case we had on an intersection improvement project (FAI-37/256). Is the \$25 amount able to be paid from our CPA office budget (similar to recording fees)?

Hi Doug and Ty,

It looks like 110412 has a final cost needed of \$25 to the Court (I am confirming as the docket bill is over \$1K).

110412 is out of money. Is there a way to process 25 bucks faster or easier? If not, I will get an encumbrance over to you ASAP upon confirmation of \$ at 25. The bill mentions credit card use for \$2 fee or we could do a petty cash check from Arnetta if allowable and easier.

Thank you for letting me know your thoughts. Encumbrance and Kimber processing a check will likely take several weeks like last time. Thanks!

Hi Marisa and Justine,

I appreciate the notice of some unpaid costs. Please correct me if I am misreading this invoice, but I believe we owe a remaining balance of \$25.00. We will get that paid ASAP, but I would like to make certain since it is a court order and is a final payment on PID 110412. Thank you.
