Good Afternoon Mr. Watson:

I was hoping to touch base and find out if you had reviewed the material for the necessary acquisition? Thank you for your time.

I look forward to working with you to finalize the necessary documents.

Best regards,

Good morning Jared:

Thank you for the signature authority document, however, if I could stop by and pick up this page and the front page which defines “Company” and take to my office, scan in to the file and then return? I will be in the area on Thursday and then back at your place to discuss offer with another owner on Monday. I can bring the pages back at that time. Issue is clarity of the document and identifying what Company is an aka for in this document. Merely paperwork situation.

Please advise whether this would be acceptable. I will be in the are around 9 30 tomorrow 02/04, and then at your place on Monday at 9:00 am 2/8.. If you are open at that time?

Thanks.
