Thanks Kimber,

Can we discuss the Counter Offer you received and that you lean toward granting? I wanted to hear from you rather than simply rejecting the \$200,000 for the 15-25 foot strip take in front of their house. I know that you were on site and also spoke directly to the owner and I wanted you to share those details in case I am misunderstanding the proposed settlement. We can also discuss how to proceed with parcel and project. Please also be prepared to let me know how many parcels are offered out if the 13 and how many have signed (for FMVE or for more). I invited Doug as the project manager (maybe explore plan change?) and Julie since their proposal would more than exceed funding. Thanks.

Can you scan the title? I did not find it here:

Thank You,  
JR
